

Mohamed Abdallah

Machine Learning and Computer Vision Engineer

Educations

COMPUTER AND INFORMATICS

[Suez Canal University](#) 2017-09 : 2021-09

Programming Languages Like C, C++, And Python, Object Oriented Programming, Data Structure, Algorithms, Web Development(Html, CSS, Javascript), Software Engineer, Image Processing, Computer Vision, Neural Network, Discrete Mathematics, Linear Algebra, Calculus, Statistics, And Probability.

Courses

MACHINE LEARNING CROSS-SKILLING

[Udacity Nano Degree](#)

MACHINE LEARNING IN PYTHON

[365 Data Science](#)

DEEP LEARNING WITH TENSORFLOW 2

[365 Data Science](#)

DATA CLEANING AND PREPROCESSING WITH PANDAS

[365 Data Science](#)

CONVOLUTIONAL NEURAL NETWORKS WITH TENSORFLOW IN PYTHON

[365 Data Science](#)

OPENCV COURSE

[Youtube](#)

PYTHON PYQT5

[Youtube](#)

MACHINE LEARNING ARABIC

[Youtube Eng: Hesham Asem](#)

Interests

MACHINE LEARNING

PYTHON OPNECV

COMPUTER VISION

C++ OPENCV

DEEP LEARNING

PYTHON PYQT5

My Profile

Strong understanding of Artificial intelligence, machine learning, and computer vision.

Languages

- English
- Arabic

Technical Skills

- Data structures and algorithms
- Object-oriented programming (OOP) languages
- Integrated development environments
- Git version control
- Database and SQL

Soft Skills

- Problem-Solving
- Teamwork
- Communication
- Patience
- Time Management
- Adaptability
- Self Study
